LIFETIME STAIN & FADE WARRANTY, 10 YEAR ABRASIVE WEAR, 10 YEAR MANUFACTURING DEFECTS, 10 YEAR SOIL RESISTANCE

OWN WITH CONFIDENCE

Installed correctly and following proper care and maintenance, your TAS Flooring Carpet will stay looking newer and beautiful longer. All TAS carpets are warranted against staining, fading, soiling, abrasion and manufacturing defects.

FADE RESISTANCE LIMITED WARRANTY

Enjoy a beautiful view and lots of natural light without worrying about the possible damage and color fading prolonged exposure to harsh sunlight – especially from southern exposures. That's why TAS carpets are made beautifully fade resistant with *ColorLock solution-dyed fiber*. You can even spot-clean with household bleach and the color won't fade.

STAIN RESISTANCE LIMITED WARRANTY

No one wants a permanent stain on their carpet. That's why TAS Flooring Carpet is made to be extremely stain resistant. With proper care and prompt attention, TAS carpets will resist staining from a host of common food and beverage accidents, such as coffee, colas, yellow mustard, chocolate, household bleach cleaners and wines. This warranty excludes abusive conditions or unattended spills or accidents. The carpet must be cleaned and maintained according to guidelines established by the Carpet and Rug Institute.

ABRASION RESISTANCE LIMITED WARRANTY

Everything wears from use and carpet is no exception. But you certainly don't want your new carpet to wear out before its time and neither do we! That's why TAS Flooring Carpet is warranted to stand up to normal wear and lose no more than 10% of pile fiber during its warranty period. The carpet must be installed correctly and the abrasive wear has to be normal residential foot traffic -- not abusive use.

EXCLUSIONS

The following substances and abuses are excluded from any TAS carpet warranties. They are: High-Traffic Areas (Installation on stairs or other areas that receive more than normal traffic) Wet-Prone Areas (Installation in bathrooms, kitchens, powder rooms, laundry rooms, mud rooms or other areas that are likely to be damp).
