Installation:

Commercial: Glue Down

Residential: Glue Down or Loose Lay

Warranty: 20 Yr Residential & Multi-Family, 15 Yr Commercial

BENEFITS

- Optional loose lay installation in residential applications
- No transitions to adjacent commercial carpet
- Enhanced dimensional stability from fiberglass stabilization layer
- 20mil Wearlayer will hold up to heavy foot traffic and rolling loads
- 5mm construction offers comfort underfoot with additional sound absorbing qualities

Installation Fast Facts:

- Acclimate to normal room conditions (NRC)
- Relative Humidity between 35% - 60%
- Rooms greater than 20' in any direction require adhesive every 10'
- High traffic areas or areas with rolling loads require full spread adhesive
- 3/8" expansion gap is required around vertical surfaces
- For loose lay installations apply a 6" band of firm setting adhesive, around the entire perimeter of the installation area (recommended: Taylor Dynamic).
