

## WHY CATALYST?

Catalyst combines durability, comfort, and waterproof features into an innovative rigid core that clicks together with ease, making it a great choice for DIYers. Its no-fuss maintenance is as attractive as its authentic looks, and makes it ideal for any room. Catalyst is also a rigid core floor, meaning its construction has been engineered to provide added stability.

EROS

### BENEFITS

- Dimensionally stable rigid core construction
- Premium EVA pad attached reduces sound transfer and adds comfort underfoot
- Waterproof core technology protects against spills
- Polyurethane finish provides extra scratch resistance
- No transitions required for rooms up to 50' x 50' or 2,500 sf
